Some additional Suggestions for Evangelization!

- Plan 40 hours devotions with the school children as they use their hours during the day the parents come and fill in the evening and nighttime hours.
- Please take photos and interview the children on their insights after spending time with Jesus
- Ask the children to write a letter to their parents sharing their experience in Adoration and why they think Mom and Dad should come visit Jesus as well.
- The idea is to bring Mom and Dad through the "Little Ones."
